

Children's Programs

Children's programming at the Cranford Public Library, including preschool story hours for two, three, and four-year olds, craft programs, summer reading programs, and all other programs, whether regularly scheduled, or scheduled as special events, are designed for the benefit of children living in Cranford. Constraints of meeting space and staff time, and, in some cases, the cost of supplies, may preclude the possibility of providing these programs for children who are not Cranford residents (such as those in day care in Cranford, or relatives of Cranford residents).

Families living in other communities who wish to utilize all the services of the Cranford Public Library, including all children's programs, may purchase an out-of-town library card for an annual fee. The fee is based on the cost of library service annually to a Cranford taxpayer and may be changed as warranted by the Library Board of Trustees.

Approved by the Cranford Public Library Board of Trustees on March 26, 2015.
