Criteria

1. Displays and exhibits should be of significant community value and interest.
2. Whenever possible, displays and exhibits will incorporate library books or other materials.
3. The criteria for displays and exhibits will be the same as those for the selection of books and other materials.

Bulletin Board

The library provides space in the lobby for the distribution of fliers, brochures, booklets, newspapers, and other similar items of interest to the community. Commercial advertising circulars, business cards, and other such material is prohibited.

2. Materials which advocate or promote one side of a proposition, campaign, cause, or political position, except when the library is directly affected.
3. Commercial advertising.
4. Containers for soliciting donations for any cause.
